

HOME AND COMMUNITY-BASED SERVICES

Home and Community-Based Services help older individuals continue to live in their homes independently while maintaining their dignity and self-worth. Services include help around the house, financial aid, and transportation options.

HOMEMAKER SERVICES

The main goal of Homemaker Services is to provide the older Mississippians an opportunity to continue living independently. Homemakers aid with daily activities and assist with other things as well.

TRANSPORTATION

Transportation Services around Mississippi are locally organized efforts which help older adults get to medical appointments, run errands, and participate in recreational activities.

To find out more information about receiving these services, please contact your local Area Agency on Aging (AAA) to receive assistance.

INFORMATION AND REFERRAL/ASSISTANCE

Through this service, older adults and their caregivers can obtain information to make informed decisions regarding long-term services and programs.

This service also will help people locate services near them and find out if they qualify.

OUTREACH COORDINATORS

Outreach Coordinators seek out older adults to educate and connect them with services that may be available to them. This service, like Information and Referral/Assistance, is an essential tool for ensuring the aging population knows about available programs and services.
